

## Do you want to recharge your batteries on a tax deductible retreat in Port Douglas QLD?

The team at Refinished Business have put together a mega workshop to allow you to grow YOUR business whilst relaxing, networking and honing your business skills under the guidance of passionate leaders in strategy, psychology, finance, performance, digital marketing and business development.

Disconnect from life to reconnect with your business, network with others & learn real skills you can implement in your business immediately.

**Just \$4200 inc GST**

Price includes; Return flights\*, all meals, luxury accommodation & transfers for 3 nights / 4 days PLUS a 2-DAY Business Growth Workshop in QLD!

Teaming up with six amazing facilitators, we will help you work through your business on topics including;

- A kick arse Accountant to set you up for long term financial success & growth, from one of the coolest firms in the country (voted best places to work 2 years in a row)
- Digital Marketing Specialist to help you attract new customers & mark your digital footprint (these guys have some serious credentials, don't miss out)
- Secure your company vision for the future & get your benchmark right!
- Learn how to build rapport with clients & increase your chances of positive relationship outcomes, delivered by a senior member from one of the fastest growing tech companies, retailer of the year & past Telstra Business of the Year award winner for Victoria
- A Psychologist to get you in the right head space for learning & change
- Performance Coach (to a London Gold Medallist!) to help you understand how stored beliefs & stories in the body can affect the nervous system, hormones & our ability to create the life we want

**Get ready for some business growth, without the bullshit.**
